SUCCESS STORIES

I came all the way from Manipur to Delhi to join digiomega.in. I had learnt many new techniques which no body in India teaches practically. digiomega.in is a finest company where a person can explore practically everything and grab many new techniques to expertise his/her skills. I had my personal interest in Freelancing and digiomega.in helped me to earn 5lacs in a year from Business.

Vishal Verma
Business Owner

I did my Advanced Digital Marketing course from digiomega.in which has helped to learn more about digital marketing. I personally thought through digital marketing we can only promote our services but I actually realized I can also earn through it. digiomega.in helped me a lot to set up my business and today I am earning apart from my business also through my website 30k (per month).

Charu arora

I did my successful course from digiOmega.in which is premium company for digital marketing. Here I got training from Miss Pallavi Sehgal who taught me to learn and earn from my website. I got my placement in Beta soft technology Pvt.Ltd from digiomega.in which made me stand on my feet and earn upto 40k (per month).

Akansha Sharma

digiomega.in is best institute for digital marketing I have referred many of my friends. I liked the course content and the trainers that taught me digital marketing were fab. They know how to get in the depth of digital marketing and make a person learn and grab the course easily.

Prakher Gupta

digiomega.in is a institution where you can learn digital marketing in a simpler format. They helped me to provide job placement after course completion and now I am placed in Sonytech International.

Indu Srivastava

I started my career in digital marketing and now I am a successful entrepreneur. digiomega.in helped me to enhance and polish my skills in and effective and efficient manner which made me to get my business flourish.digiomega.in brought bigger opportunities for my business.
